To acknowledge your participation in these workshops

This term has been a long slog where much extra work was done by teachers in ALL grades. Some learners have come to the plate and succeeded, but the majority have merely cruised without exerting any effort. Therefore the results this term are unacceptable.

### **COMPULSORY GRADE MEETINGS**

for ALL PARENTS are scheduled under the diary section, to inform you of important changes that will be affected from term 3.

I appreciate the additional effort by all, to improve our good school. May you have a blessed vacation and God's mercies for those who are travelling.
