FOUNDERS & FAMILY DAY

Once again Lawson Learners have shown increased support for the family run and Family Day. More parents were expected, but we appreciate the presence of those who were not only there, but who also ran in the race AND achieved a place! I am well-pleased with our children's good behaviour at the flag-raising ceremony. They were superb during the assembly in the hall, listening intently to the guest speaker, **MARVIN HORKINS.**

Our guest is a 1998 matriculant who has carved his niche in life. Thank you, Mr Horkins for your inspiring speech and participation in the teacher-student soccer match. Also, I must express my gratitude towards the other ex-Lawsonians who attended our founder's Day Celebrations. It means a lot to me.

CONTINENTAL QUIZ

<https://www.facebook.com/continentalsa/?fref=ts>

LIKE this page and LAWSON LOGO and our quiz teams and school stand a chance of winning a prize.

LIKE as many times a possible.

I am utterly grateful for the staff: Teaching, Admin and Cleaners, for making this weekend a success. The extra time that was sacrificed above the agreed-upon time, is admirable.

SHORTS

» **LEARNERS**, please assist the teacher in your code to compile an article on your activity for 2016, and to insert pictures of what you have done this year. If you have any pictures, get it to your Teacher-in-charge so that it can be included in the school's yearbook.

» Thanx for blanket donations and money for the blankets for our senior citizens. It will be handed over tomorrow. Thanx to the Prefects, Mrs Ruiters, Mr Santi and Mr Syfers for tackling this initiative.

» We are proud South Africans for the achievements of our athletes at the Olympics. They serve as examples for us, knowing that they achieve this greatness (without destructive pride) as they hail from the ordinary areas where we live. If they can do, so can we.
