Dear Parents

## CLOSURE OF SCHOOL

We would like to inform all our parents and learners that Lawson Brown High School has been closed for deep cleaning. We were informed that one of our learners tested positive for the COVID 19 virus and after consultation with the Department of Health officials and the Department of Education, it was decided to close the school until Wednesday, 15 July 2020. Parents, note that this only applies to grade 12 learners. The Superintendent General of the Eastern Cape Department of Education deferred the return of the Grade 11 learners to 20 July 2020, according to Instruction Note 37 on 5 July 2020.

I would strongly urge you all, staff members and learners, to self isolate for the next few days, should you experience any of the Covid-19 symptoms and to get tested. We are working hard to have our protocols in place. So, if you do not show any symptoms by the end of week, the Health officials inform us that there would not be a need to get tested.

Thank you for your continued support and let us keep all families in our prayers during this trying time. Let all of us adhere strictly to the prescribed Covid-19 protocols as we enter the period in which scientists expect the infection rate to increase. Let's remain resolute to flatten the curve.

Yours sincerely

A W Newfeldt
