"ACHIEVE MORE IN 2024!!"

Dear Parents

SCHOOL FEES 2025

At the Budget meeting held on Monday 18th November 2024, the budget was discussed in depth, together with the plans for 2025.

Parents approved the following as the school fees for 2025:
R23 557.00 per annum

One of the following payment methods can be used:

1. R2 355.70 per month over 10 months **OR**
2. R21 201.30 per annum if paid in full by February 2025 (10% discount) **OR**
3. R19 557.00 for new Grade 8 Parents who have paid advance fees of R4 000 **OR**
4. R1 955.70 per month for 10 months for new Grade 8 Parents who have paid advance fees of R4 000.00 **OR**
5. R17 201.30 per annum for Grade 8 parents who have paid advance school fees and will pay in full by end February 2025 (10% discount).

As this is a fee-paying school that relies solely on school fees for its functioning, ALL PARENTS are compelled by law to pay school fees.

- a parent's duty to pay the school fees in terms of section 39 of SASA,
- The right of the school to take action for non-payment and
- The parent's right to apply for an exemption.

Be informed that Card facilities are available at school. For your safety, we encourage payments by this method and parents avoid making payments by cash.

Parents have committed themselves to support the proposed fundraising events throughout the year.

GRADE 11 Parents are reminded that school fees up to the end of April 2025 must be paid before matriculants attend the matric farewell next year.

We thank the parents for their support and pray that 2025 would be a more productive year for our school.
